Robot Consulting Co., Ltd., a company that provides professional services in the metaverse, is developing not only Robot Lawyer but also Robot Labor and Social Security Attorney in anticipation of an era in which more and more people will work using virtual spaces.

ASC社会保険労務士法人

We are currently developing a system of Robot Labor and Social Security Attorney that will feature employment contracts specialized in metaverse, employment regulations specialized in cybersecurity, or consultation and document preparation specialized in metaverse in the future.

As Robot Consulting Co., Ltd. promotes its services in the metaverse, partnering with ASC Labor and Social Security Attorney Corporation enables protection of employment and labor in new ways of working.

We will provide new services to the world by leveraging ASC Labor and Social Security Attorney Corporation, with more than 8,000 clients, and Robot Consulting Co., Ltd.'s knowledge of metaverse.
